F.No NHIDCL/GM (HR)/Training/2016

Date: 07/10/2016

**CIRCULAR**

**Sub: Advertisement for training of Construction Workers in Highway construction sector.**

In reference to Ministry's letter no A-33025/03/2016/E-1 dated 28/07/2016 for implementation of pilot project in Skill Development/Upgradation of workmen in Highway Construction Sector, following guidelines are issued.

- i. NHIDCL would be training 600 Highway Construction Workers in construction sector during the current financial year (2016-17) in the following 4 states in north east.
  - Tripura
  - Arunachal Pradesh
  - Nagaland
  - Assam

Each state would train 150 youth each in the current Financial Year 2016-17

- ii. CSDCI (**CONSTRUCTION SKILL DEVELOPMENT COUNCIL INDIA**) a sector skill council will provide training through its accredited training partners in trades certified and approved by NSDC. The training is being provided on a curriculum based on NOS of various sectors in accordance with NSQF. It would also provide certification to workmen on their successful completion of the module after clearing the assessment exam.
- iii. The training would be conducted at the project site or any other site chosen by TP. Basic amenities and infrastructure for training would be created at these locations.
- iv. The contractor would be providing infrastructure for classrooms as well as practical training in case the training is conducted at the project site. The contractor would also be providing machine/equipment for training. At the end of the training, the contractor may employ some trainees depending upon their performance during the training and the vacancy situation. Further details on the role of the contractor would be communicated later.
- v. Candidates would be trained in two categories as follows:
  - a. **Fresher's module:** A 45-60 day module for 350-400 hours in case of training in highway construction sector
  - b. **RPL (Recognition of Prior Learning):** A five day module for workers at the project site.
- vi. A batch of minimum 15 workers will be trained at the project site. The trainees for the fresher course should have the following qualifications:
  - Age: Minimum 18 years
  - Educational qualification: minimum 10<sup>th</sup> standard. But it will vary with certain equipments

vii. **MODE OF SELECTION**

- Advertisement in newspapers
- Contacting employment exchanges
- Contacting students in ITIs

viii. **Training Module**

**For fresher course**

- Mason General
- Mason Tiling
- Bar Bender and Steel Fixer
- Shuttering Carpenter - System
- Scaffolder - System
- Assistant Electrician
- Construction Painter & Decorator
- Tack welder
- False Ceiling & Dry Wall Installer
- Mason Concrete

**For RPL**

- Helper Electrician
- Helper Mason
- Asst Mason
- Helper Bar bender
- Asst Bar bender
- Helper Carpenter
- Asst Shuttering Carpenter

- ix. The cost of the stipend would be covered by the Ministry of Road Transport and Highways. While the cost of training would be covered by NSDC in accordance with the guidelines under the special project category of PMKVY 2.0
- x. The GMs of the 4 states are hereby directed to advertise about the training in local newspapers (in English and vernacular language and employment exchanges in their respective states
- xi. Applications shall be received till 21/10/2016. GMs would then draw a panel to finalize various batches according to the preferences of the trainees by 28/10/2016

A copy of advertisement and modified application form for training in both the categories attached herewith.
