A PUBLIC SECTOR UNDERTAKING

09.02.2017

Dear Sir,

I would like to draw your attention to the MoRTH Circular No. RW-NH-33075/1/2010-S&R (R) dated 28.10.2015 vide which it has been made mandatory to use INFRACON portal for procurement of DPR Consultants and Authority's Engineer for supervision of EPC contracts for development and upgradation of National Highways.

The DPR I module & AE module have been made live on the INFRACON portal for uploading & evaluation of the tenders. In addition, DPR-II module is also in the final stage and the same is likely to be hosted on INFRACON portal in a week's time.

It has been observed that although the client organizations like MoRTH, NHAI, IAHE and State PWDs have been using the INFRACON portal for uploading bids and creation of Team IDs, the potential of INFRACON for evaluation of bids is not being fully utilised in line with the MoRTH guidelines issued through aforesaid circular. The main reason for the same appears to be lack of awareness about the INFRACON mechanism.

In view of this, we wish to organize a one day Workshop for the senior officials of the client organizations viz. MoRTH, NHAI, NHIDCL, IAHE, State PWDs to make them aware about the comprehensive use of INFRACON so that the purpose of INFRACON to bring in transparency & efficacy in the procurement mechanism gets fulfilled. The workshop schedule is as below

Venue	Constitution Club of India, Rafi Marg, Behind Reserve Bank of India, New Delhi
Date	27/02/2017
Time	10:30 am to 4:30 pm

I may, therefore, request you to kindly make it convenient to attend the workshop and enlighten us with your valuable suggestions. Should it not be possible to attend the workshop personally, an officer may be authorized for the same.

A prior registration is required to be made on NHIDCL website (www.nhidcl.com) for enabling us to make necessary arrangements accordingly.

With warm regards,

Sandeep Kumar
General Manager (INFRACON)
