**E-Bank Guarantee**

An Electronic Bank Guarantee (e-BG) eliminates the physical documentation usually associated with issuance of BG. It reduces the turn-around time of the BG. The digital steps in an e-BG includes BG application, preview and confirm, paperless e-stamping, e-signing, hosting of the final electronic BG on the NeSL portal and intimation of final BG to the beneficiary (e.g NHIDCL). The beneficiary can view the final digital BG on the NeSL portal immediately on issuance. Such an e-BG eliminates the need for a separate authentication from the BG issuing Bank. At present seven banks are issuing E-BG (State bank of India, Canara Bank, Indian Overseas Bank, HDFC Bank, ICICI Bank, Axis Bank and Yes Bank and more may start soon. The Ministry of Road Transport and Highways has prescribed acceptance of E-BGs vide their OM No. NH-35014/20/2020-H dated 12<sup>th</sup> August 2022.

2. The bidders/contractors/DPR Consultants and Authority Engineers submit BG as bid security, PBG, APBG and BG against advances. It takes time in getting SFMS confirmations and in many cases, the SFMS confirmations are not received.

3. In view of above, the Competent Authority has decided that from first April 2023 only E-BG shall be accepted. No BG shall be accepted in the physical form. The format of the BG will remain the same as prescribed in the RFP documents.

4. Entity ID of NHIDCL is AAECN7759E, which may be quoted for getting e-BG.
