“**Foreign Jurisdiction**” means a country, other than India, whose securities market regulator is a signatory to International Organization of Securities Commission’s Multilateral Memorandum of Understanding (IOSCO’s MMOU) (Appendix A signatories) or a signatory to bilateral Memorandum of Understanding with the Securities and Exchange Board of India, and which is not identified in the public statement of Financial Action Task Force as a jurisdiction having a strategic Anti-Money Laundering or Combating the Financing of Terrorism deficiencies to which counter measures apply or a jurisdiction that has not made sufficient progress in addressing the deficiencies or has not committed to an action plan developed with the Financial Action Task Force to address the deficiencies.

2.2.5 Available Bid Capacity:

The proposed EPC Contractor of a Group A Bidder or Group B Bidder, as the case may be, who *otherwise* meets the eligibility criteria specified under Clause 2.1.23, shall be considered qualified only if its Available Bid Capacity satisfies the requirement set out herein. The Available Bid Capacity shall be computed in accordance with the formula provided below, based on information submitted in Annex-X of Appendix-IA:

(a) Group A Bidder – Bidder as EPC Contractor

In the case of a Group A Bidder where the Bidder itself is the proposed EPC Contractor, the Available Bid Capacity shall be more than the Estimated Project Cost. In case Bidder is a Consortium, each Consortium Member shall independently meet the Available Bid Capacity requirement corresponding to its respective share in the execution of the EPC work.

(b) Group A or Group B Bidder – with third party EPC Contractor

In the case of a Group A Bidder proposing an EPC Contractor other than itself, or in the case of a Group B Bidder proposing an EPC Contractor, the Available Bid Capacity of the proposed EPC Contractor shall be more than the cost of the work proposed to be awarded to such EPC Contractor.

Formula for computation of Available Bid Capacity

The Available Bid Capacity shall be calculated as follows:

Available Bid Capacity = $(A * N * 2.5 - B)$, (the “**Available Bid Capacity**”),

Where

N= Number of years prescribed for construction of the Project for which the Bid is invited.

A = Maximum value of civil engineering works executed in any one year during the last 5 (five) financial years, excluding any bonus amount received and updated to the price level of the year as specified in Clause 2.2.2 (AB). This shall include the value of completed works as well as works in progress. For the purpose of this clause, ‘civil engineering works’ shall include EPC projects such as turnkey projects, item-rate contracts and construction works, and shall also include EPC works undertaken under BOT, HAM and TOT/ InvIT projects.

B = Value of existing commitments, including works for which the proposed EPC Contractor has emerged as the successful bidder, as well as on-going works required to be completed during the period of completion of the Project for which the Bid is invited. For the avoidance of doubt, it is clarified that works for which EPC Contractor has emerged as the successful bidder but in respect of which letter of award has not been issued shall also be considered while computing value of B, and shall also include EPC works being undertaken under BOT, HAM and TOT/ InvIT projects.

Note:

1. The Statement showing the value of all existing commitments shall be countersigned by the Client or its Engineer-in-charge not below the rank of Executive Engineer or equivalent in respect of EPC Projects or Concessionaire / Authorised Signatory of SPV in respect of BOT/ HAM/ TOT/ InvIT Projects and shall be duly verified by the Statutory Auditor.

2. In the case of a Group A Bidder, where the Bidder itself is the proposed EPC Contractor, the Bidder shall submit its Available Bid Capacity in format prescribed at Annex-X of Appendix-IA as part of its Technical Bid, the Available Bid Capacity shall be updated as on the date immediately preceding the opening of the Financial Bids.

3. In the case of a Group A Bidder proposing an EPC Contractor other than itself, or in the case of a Group B Bidder proposing an EPC Contractor, the Available Bid Capacity shall be assessed as on the date of submission of the credentials of the proposed EPC Contractor to the Authority for its approval.

2.2.6 The Selected Bidder of “Group B” itself may not have the requisite technical capacity towards execution of the Project as specified in the Bidding Documents. For avoidance of doubt, it is clarified that submission of such plan to the Authority for sourcing the requisite technical competency towards execution of the Project shall not relieve the Selected Bidder / Concessionaire from any obligation as per the Bidding Documents / Concession

Agreement and they shall solely be responsible for fulfilment and performance of the Concession Agreement as per terms and conditions stipulated therein.

- 2.2.7 Design-in-Charge Experience:** The Bidder shall engage a qualified and experienced Design-in-Charge for undertaking the design of the Project in accordance with the provisions of the Concession Agreement. For Weighted Experience Score

If Company A has been assessed to have an Experience Score of 1000 and Company B has been assessed to have an Experience Score of 500, in a Consortium with shareholding of A as 60% and B as 40%, then the Weighted Experience Score of the Consortium shall be

Guidelines of the Department of Disinvestment*(Refer Clause 1.2.1)*

No. 6/4/2001-DD-II
Government of India
Department of Disinvestment
Block 14, CGO Complex
New Delhi.
Dated 13th July, 2001.

OFFICE MEMORANDUM

Sub: Guidelines for qualification of Bidders seeking to acquire stakes in Public Sector Enterprises through the process of disinvestment

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for bidders interested in PSE-disinvestment so that the parties selected through competitive bidding could inspire public confidence. Earlier, criteria like net worth, experience etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/disqualification of the parties seeking to acquire stakes in public sector enterprises through disinvestment:

- (a) In regard to matters other than the security and integrity of the country, any conviction by a Court of Law or indictment/ adverse order by a regulatory authority that casts a doubt on the ability of the bidder to manage the public sector unit when it is disinvested, or which relates to a grave offence would constitute disqualification. Grave offence is defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of the offence would be taken on case to case basis after considering the facts of the case and relevant legal principles, by the Government of India.
- (b) In regard to matters relating to the security and integrity of the country, any charge-sheet by an agency of the Government/ conviction by a Court of Law for an offence committed by the bidding party or by any sister concern of the bidding party would result in disqualification. The decision in regard to the relationship between the sister concerns would be taken, based on the relevant facts and after examining whether the two concerns are substantially controlled by the same person/ persons.
- (c) In both (a) and (b), disqualification shall continue for a period that Government deems appropriate.
- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all bidders for various disinvestment transactions, which have not been completed as yet.

- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expression of Interest (EOI) from the interested parties. The interested parties would be required to provide the information on the above criteria, along with their Expressions of Interest (EOI). The bidders shall be required to provide with their EOI an undertaking to the effect that no investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against its CEO or any of its Directors/ Managers/ employees, full details of such investigation including the name of the investigating agency, the charge/ offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, a similar undertaking shall be obtained along with EOI.
