Reply for the queries

Name of Work: Part Design, Construction, Operation & Maintenance (for a period of 5 years) of Fully Automatic Multi-level Parking System at Central Civil Secretariat, Itanagar, Arunachal Pradesh.

Ref: Tender ID: 2020_NHIDC_592311_1

Sr. No.	Clause No., Section No. & Page No.	Original Clause in Tender	Clarification/Suggestion by the bidder	NHIDCL's Reply
1.	3.9, 3.11.1.3/ Page- 19,23	Employer Requirement	All permits should be in the scope of Employer	As per RFP.
2.	5.3/ Page-35	Employer Requirement	Is it 3 months or 6 months- please clarify?	Refer Amendment-II
3.	9/Page 42	Employer Requirement	The vehicle required during testing period should be arranged by employer	As per RFP.
4.	3.3/ Page 48	Employer Requirement	Contractor can only provide PDF drawings; this is not a technology transfer & we can not provide manufacturing drawing	As per RFP.
5.	3/ Page 54	Employer Requirement	Potable water & power during construction phase should be provided by employer	As per RFP.
6.	3.11.2.3/ Page 24	Employer Requirement	Contractor may provide Test Certificate of various input materials, but any other tests should be at employer scope	As per RFP.
7.	30/ Page 46	GCC & SCC	Unfiltered water supply	As per RFP.
8.	34/Page 48	GCC & SCC	Additional taxes/duties if any, levied by Govt. after bidding should be reimbursed to contractor	As per RFP.

9.	41/ Page 51	GCC & SCC	Security deposit should be released after installation & commissioning of parking system	Refer Amendment-II
10	25/Page 57	GCC & SCC	All applicable fees for project clearance should be in the scope of employer	As per RFP.
11	IV to VIII/Page 63	GCC & SCC	All additional security deposit as stated in these clauses should be withdrawn	As per RFP.
12	C10/ Page-33	ITT & FOT	Please provide stages wise payment details	As per RFP.
13	1.2.1.5 & 1.2.1.6 /Page 9	ITT & FOT	All our clients issued certificate for succesful completion of Automated Parking which is indeed Robotic Shuttle technology as per your drawing & is a comparable technology; we can provide pictorial proof for that. Please accept pictorial presentation as a proof for comparable technology or alternately the employer may visit our sites for which we will bear the relevant cost.	Request is not acceptable. The client certificate stating the technology, ECS and cost of work is mandatory.
14	1.2.1/Page 9	ITT & FOT	The value of project clause it is mentioned one project 80%, two project 60% & three 40% but compulsorily must show min.3 projects done of comparable technology. This is contradictory. Especially if we have one project with more than 300 cars, it meets the requirement	As per RFP.
15	3.3.4(a)/Page 13	ITT & FOT	Fixed Deposit Receipt (FDR) should also be allowed alongwith DD/Bankers Cheque/BG/RTGS for payment of EMD	As per RFP.
16	Volume 5	Tender drawings	Please provide Tender drawing in AutoCad format	As per RFP.

17	1.2.1(C), 1.2.1.4/ Page- 9	ITT & FOT	This technology is known by many names in the market. So, let's not further narrow down the competition. Also, Robo Shuttle / shuttle is only a Component in the overall technology; Likewise there are many other component like lift, dolly etc. Either, We should mention all the components, their part marks, their makes etc. Or we must on a broader term Say "Automated Multi Level Car Parking Systems Technology" only. Since, there is no industry name or nomenclature to this technology. It will wiser to use the broader term i.e. "Automated Level Car Parking System Technology".	As per RFP.
18	General		Imported Material are not permitted. Why? The specifications have been set in a way to restrict importing the entire parking system from foreign country	Query is not clear, no reference of clause has been given.

Other entries remain same.
