Minutes of the meeting of Empowered Technical Evaluation Committee (ETEC) held on 22.01.2018 for Consultancy Services for Authority's Engineer for supervision of "Four laning of Balachera to Harangajao section of NH-54(Ext) from km 275.000 to km 244.000 in the State of Assam on EPC mode".

1. Having carried out technical evaluation, ETEC in its meeting dated 05.01.2018 recommended for seeking comments from both the bidders on the carried out technical evaluation within 7 days. Both the bidders viz. M/s Rodic Consultants Pvt Ltd and M/s Technocrats Advisory Services Pvt. Ltd. in association with Agnitio Infrastructure Projects Pvt Ltd have submitted their comments on the evaluation results.

2. While examining the comments received from the bidders, ETEC in this meeting dated 22.01.2018 observed that M/s Rodic Consultants Pvt Ltd has claimed marks for "Employment with the Firm" for one Key Personnel viz. Mr. Bani Kanta Das (proposed for the position of Sr. Contract Specialist). The ETEC observed that as per the uploaded data on INFRACON, Mr. Bani Kanta Das has worked in M/s Rodic Consultants Pvt Ltd from 02.05.2016 to 17.08.2017. As the end date of employment of Key Personnel with the firm falls prior to the bid due date, INFRACON allotted 0 marks for employment with the Firm. However, ETEC in this meeting examined the undertaking provided by M/s Rodic Consultants Pvt Ltd wherein bidder has claimed that Mr. Bani Kanta Das is still working with the firm. The firm has also provided the Form No. 16A of Mr. Bani Kanta Das in support of the submitted undertaking. Based on the submission made by the bidder, the ETEC found the claim of bidder tenable and enhanced the score of the Key Personnel manually. Further, the bidder has also claimed marks for the same Key Personnel for having pursued Bachelor of Law (LLB). The Committee observed that the said qualification has inadvertently got omitted in the input sheets of INFRACON despite being included in the RFP and therefore, enhanced the score of the Key Personnel on this aspect also (**Annexure-I**).

3. Besides, the ETEC observed that M/s Technocrats Advisory Services Pvt. Ltd. in association with Agnitio Infrastructure Projects Pvt Ltd has claimed marks for "Year of Establishment of the Firm". As per the uploaded data on INFRACON, the bidder has mentioned 2014 as year of inception and as such, INFRACON has allotted 0 marks for "Year of Establishment of the Firm". However, the bidder has submitted Certificate of Incorporation of the demerged company, M/s MC Consulting Engineers Pvt Ltd which was incorporated on 05.09.1989. Accordingly, the Committee found the claim of the bidder tenable and enhanced the score of the firm manually (**Annexure-II**). All other claims of the bidders were not found tenable and therefore rejected by the ETEC (as detailed at **Annexure-III**).

4. Committee further noted that one key personnel of M/s Rodic Consultants Pvt Ltd i.e. Bridge/ Structural Engineer and two key personnel of M/s Technocrats Advisory Services Pvt. Ltd. in association with Agnitio Infrastructure Projects Pvt Ltd i.e. Senior Quantity Surveyor & Bridge Design Specialist have failed to score minimum required 75 marks which warrants replacement of failed Key Personnel. Since the no. of such Key Personnel have been within the permitted range i.e. maximum 3, the ETEC opined to get
