 subject to my rules at the bottom

**Note:** There is difference in Applied Technical Threshold Capacity by the bidders and Assessed Technical Threshold Capacity as the bidders claimed their technical threshold capacity without applying the multiplying factor for the respective year (i.e. 1, 1.05, 1.10 so on and so forth) and in some cases, the bidder has claimed the project in different category i.e. Projects falling under Category 4 are claimed in category 3 by bidders.

3. At present, BIMS Portal is evaluating the Bids with inadequate results which may be due to some technical reasons/errors and hence, the evaluation of Bids has been carried out manually based on the documents uploaded by bidders on e-procure portal.

4. After due deliberations ETEC agreed and recommended for opening of financial proposals of the following 10 (Ten) applicant firms subject to the verification of the Experience Certificates for similar capacity required in category 1 & 3 project and after obtaining approval from the Competent Authority:

- (i) RMN Infrastructures Ltd.
- (ii) JSP Projects Pvt. Ltd.
- (iii) McNally -ARSS (JV)
- (iv) NG Projects Limited
- (v) GAUTAM BUILDERS-PSC (JV)

- (viii) RKIPL-NSC (JV)
- (ix) HES Infra Pvt. Ltd.
