Reply to the Pre-bid Queries

Sl no	Queries of the bidders	NHIDCL's Reply
1	The Site was visited it was seen that the number of Junctions mentioned in the RFPhas not completed yet. It is requested to clarify whether all junctions will be handed over prior apointment of work to the contractor if not what will be the time frame for completion (Bidder-Power Engineering & Consultants)	The Major and Minor Junctions which are incomplete will be completed within Three (3) Months.
