1	Span length of culvert is given more than 3 meters, but number of culvert is given only one number. Is there two no. of box culvert?	There are 94 Box Culverts of different span. The list is given in Schedule-B.
2	We need a detail section drawing of culverts, retaining walls & toe wall details required.	Being an EPC Contractor, the Contractor will be required to submit the design for different span of culverts in conformity with the relevant specification.
3	Ground level haven't mentioned in given drawing. Hereby we can't able to take excavation quantity.	The Culverts will be constructed after dismantling of existing culverts and clearance of site.
4	Is dismantling of existing culverts will under our scope?	Yes. Please refer to Schedule-H.
5	Since the Road work is not part of the contract, the Maintenance of the culvert can be waived off or to be included in the road Contractor scope. Also any damage occurs in the Culvert due to the poor quality of the road works shall not be the scope of ours.	As per RFP.
6	Since the project is involving Design and build a required time to collect the data and do preliminary survey and Design in order to complete the costing. Hence we request you extended the time for submitting the bid for further 15 days from the date of current submission date.	As per RFP.

7	<p>Clause 2.1.15 (Page No. 17 to 96) Explanation (ii) refers that project having cost of 25 Crore or less shall be counted for this purpose.</p> <p>We request you to clarify that the bidder who is having two ongoing projects out of which one project value less than 25 Crore shall be eligible for qualify to bid for this Tender.</p>	<p>Please refer to <b>Corrigendum-I</b>, the content have been amended.</p>
