Reply to Queries of Bidders

Sl. No.	Clause	Description	Suggestions/Query	Reply
1.	Enclosure-II Page no- 100-108 of RFP	Qualification and experience requirement of key personnel as per Amendment No. 8 : Refer Enclosure-II- Point (ii) (b) - Tunnel project requirement and Appendix-V key personnel evaluation of all three key personnel, Environmental Engineer, Highway cum pavement Engineer and Sr. Surveyor.	Key Personnel requirement stated in Enclosure-II and Appendix-V of Amendment No. 8 are not matching and consultant is uncertain to decide the prevailing one for evaluation. For Example- In qualification requirement of Sr. Surveyor in Enclosure-II is stating requirement in Tunnel Projects (point II (b)) while appendix V stating experience in Highway projects. Same issue is also with the qualification of Environment Engineer and Highway cum Pavement Engineer. Please clarify.	Please refer to Amendment No. 9
2.	Enclosure-II Page no- 100-108 of RFP	Educational Qualification of Team Leader Essential- Graduate in Civil Engineering/ tunnel engineering/ Mining Engineering/ Related field. Desirable- Post Graduate in Civil Engineering/ tunnel engineering/ Mining Engineering/ Related field.	Please clarify whether Team Leader with qualification Post-graduation (dual degree-5 years) in Mining Engineer will suffice the educational qualification requirement.	Yes.
3.	Enclosure-II Page no- 102 of RFP	Experience of Major Tunnel projects in Himalaya Region.	In qualification of Key personnel, at some places experience in tunnel is defined as “tunnel projects of Road/Rail/ Metro”, while at some places experience in tunnel is not sector specified. Are we clear in our understanding that experience in all type of tunnels i.e. Road/ Hydro/ Rail/ Metro / water supply will be accepted for qualification experience of key personnel?	As per RFP.

It may please be noted that the bid due date, 15.06.2017 (1700 hrs) remains unchanged.
