24. Process to be Confidential

- 24.1 Information relating to the examination, clarification, evaluation, and comparison of bids and recommendations for the award of a contract shall not be disclosed to bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any attempt by a Bidder to influence the Executing Agency's processing of bids or award decisions may result in the rejection of his Bid.

25. Clarification of Bids and Contacting the Executing Agency

- 25.1. To assist in the examination, evaluation, and comparison of Bids, the Executing Agency may, at his discretion, ask any Bidder for clarification of his-Bid, including breakdowns of unit rates. The request for clarification and the response shall be in writing or by email, but no change in the price or substance of the Bid shall be sought, offered, or permitted except as required to confirm the correction of arithmetic errors discovered by the Executing Agency in the evaluation of the Bids in accordance with Clause 27.
- 25.2 Subject to sub-clause 25.1, no Bidder shall contact the Executing Agency on any matter relating to his bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Executing Agency, he should do so in writing.
- 25.3 Any effort by the Bidder to influence the Executing Agency in the Executing Agency's bid evaluation, bid comparison or contract award decisions may result in the rejection of the Bidders' bid.

26. Examination of Bids and Determination of Responsiveness

- 26.1 During the detailed evaluation of "Technical Bids", the Executing Agency will determine whether each Bid
- (a) meets the eligibility criteria defined in Clauses 3 and 4;
 - (b) the required documents uploaded by the bidder are in order; and
 - (c) is substantially responsive to the requirements of the bidding documents. During the detailed evaluation of the "Financial Bids", the responsiveness of the bids will be further determined with respect to the remaining bid conditions, i.e., priced bill of quantities, technical specifications and drawings etc.

27. Correction of Errors.

- 27.1 Financial Bids determined to be substantially responsive will be checked by the Executing Agency for any arithmetic errors.
- 27.2 The amount stated in the Financial Bid will be corrected by the Executing Agency for the correction of errors and shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount, the Bid will be rejected, and the Bid Security shall be forfeited in accordance with Sub-Clause 16.6(b).

28. Evaluation and Comparison of Financial Bids.

- 28.1 The Executing Agency will evaluate and compare only the bids determined to be substantially responsive in accordance with Clause 26.

- 28.2 In evaluating the bids, the Executing Agency will determine for each Bid the evaluated Bid price by adjusting the Bid price after making any correction for errors pursuant to Clause 27;
- 28.3 **If the Bid of the successful Bidder is seriously unbalanced** then an irrevocable and unconditional guarantee from a Bank should also be submitted in the same form given in Section-IV towards an Additional Performance Security (**the “Additional Performance Security”**) for an amount calculated as under:
- a) If the Bid Price offered by the Selected Bidder is lower than 15% but upto 20% of the Estimated Project Cost, then the Additional Performance Security shall be 10% of the Bid Price offered by the selected Bidder.
 - b) If the Bid Price offered by the Selected Bidder is lower than 20% of the Estimated Project Cost, then the Additional Performance Security shall be 20% of the Bid Price offered by the Selected Bidder.
 - c) This Additional Performance Security shall be treated as part of the Performance Security.
- 28.4 A bid, which is quoted unrealistically low and which cannot be substantiated satisfactorily by the bidder, may be rejected as non-responsive.

2.2 If sectional completion is specified in the Contract Data, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date apply to any Section of the Works (other than references to the Completion Date and Intended Completion Date for the whole of the Works).

2.3 The documents forming the Contract shall be interpreted in the following order of priority.

- (a) Agreement,
- (b) Letter of Acceptance
- (c) Contractor's Bid including Financial Bid Form,
- (d) Contract Data,
- (n) Conditions of Contract
- (f) Scope of work & Technical specifications
- (g) Special Conditions of Contract
- (h) Tender Drawings
- (g) Schedule of Quantities,
- (h) List of approved makes, and
- (i) Any other document listed in the Contract Data.

3. Language and Law

3.1 The language of the Contract and the law governing the Contract are stated in the Contract Data.

4. Engineer-in-Charge's Decisions

4.1 Except where otherwise specifically stated, the Engineer-in-Charge will decide contractual matters between the Executing Agency and the Contractor in the role representing the Executing Agency.

5. Delegation

5.1 The Engineer-in-Charge, duly informing the Executing Agency, may delegate any of his duties and responsibilities to other people except to the Adjudicator, after notifying the Contractor, and may cancel any delegation after notifying the Contractor.

6. Communications

6.1 Communications between parties that are referred to in the Conditions shall be effective only when in writing. A notice shall be effective only when it is delivered.

7. Sub-contracting

7.1 The Contractor may subcontract any portion of work, up to a limit specified in Contract Data, with the prior approval of the Executing Agency in writing. Subcontracting shall not alter the Contractor's obligations.

7.2 The Contractor shall not be required to obtain any consent from the Executing Agency for:

- a. the sub-contracting of any part of the Works for which the Sub-Contractor is named in the Contract;
- b. the provision of labour or labour component.
- c. the purchase of Materials which are in accordance with the standards specified in the Contract.

- 11.3** Beyond what has been stated in clauses 7.1 and 7.2, if the Contractor proposes sub-contracting of any part of the work during execution of the Works, because of some unforeseen circumstances to enable him to complete the Works as per terms of the Contract, the Executing Agency will consider the following before according approval:
- a) The Contractor shall not sub-contract the Works more than the limit specified in Contract Data.
 - b) The Contractor shall not sub-contract any part of the Work without prior consent of the Executing Agency. Any such consent shall not relieve the Contractor from any liability or obligation under the Contract and he shall be responsible for the acts, defaults and neglects of any of his sub-Contractor, his agents or workmen as fully as if they were the acts, defaults or neglects of the Contractor, his agents and workmen.
- 7.3** The Engineer-in-Charge should satisfy himself before recommending to the Executing Agency whether
- a) the circumstances warrant such sub-contracting; and
 - b) the sub-Contractor so proposed for the Work possess the experience, qualifications and equipment necessary for the job proposed to be entrusted to him in proportion to the quantum of Works to be sub-contracted.

8. Other Contractors

8.1 The Contractor shall cooperate and share the Site with other Contractors, public authorities, utilities, and the Executing Agency between the dates given in the Schedule of Other Contractors, as referred to in the Contract Data. The Contractor shall also provide facilities and services for them as described in the Schedule. The Executing Agency may modify the Schedule of Other Contractors, and shall notify the Contractor of any such modification.

8.2 The Contractor should take up the works in convenient reaches as decided by the Engineer-in-Charge to ensure there is least hindrance to the smooth flow of traffic including movement of vehicles and equipment of other Contractors till the completion of the Works.

9. Personnel

9.1 The Contractor shall employ the technical personnel named in the Contract Data. The ED(P), NHIDCL will approve any proposed replacement of technical personnel (except Project Manager) only if their relevant qualifications and experience are substantially equal to or better than those of the personnel stated in the Contract Data. If the personnel stated in the contract data are not deployed on site by the contractor, a penalty of Rs. 50,000/- per month in case of Project Manager and Rs. 25,000/- in case of other key personnel will be imposed up to a maximum period of 3 months. Thereafter, it will be treated as a breach of contract and action will be taken as per clause 53. The replacement of Project Manager will be approved by Engineer-in-Charge after the approval of Competent Authority.

9.2 If the Engineer-in-Charge asks the Contractor to remove a person who is a member of the Contractor's staff or work force, stating the reasons, the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the Works in the Contract.

10. Executing Agency's and Contractor's Risks

10.1 The Executing Agency carries the risks which this Contract states are Executing Agency's risks, and the Contractor carries the risks which this Contract states are Contractor's risks.

11. Executing Agency's Risks

11.1 The Executing Agency is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in the Executing Agency's country, the risks of war, hostilities, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot commotion or disorder (unless restricted to the Contractor's employees), natural calamities and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.

12. Contractor's Risks

12.1 All risks of loss of or damage to physical property and of personal injury and death, which arise during and in consequence of the performance of the Contract other than the excepted risks, are the responsibility of the Contractor.

13. Insurance

13.1 The Contractor at his cost shall provide, in the joint names of the Executing Agency and the Contractor, insurance cover from the Start Date to the end of defect liability period for events (a) to (d), in the amounts and deductibles stated in the Contract Data for the following events which are due to the Contractor's risks:

- a) Contractor's All Risk Policy (CAR Policy) loss of or damage to the Works, Plant, Materials etc.;
- b) loss of or damage to Equipment;
- c) loss of or damage to property (except the Works, Plant, Materials, and Equipment) in connection with the Contract; and
- d) Personal injury or death.

13.2 Insurance policies and certificates for insurance shall be delivered by the Contractor to the Engineer-in-Charge for the Engineer-in-Charge's approval before the Start Date. All such insurance shall provide for compensation to be payable in Indian Rupees to rectify the loss or damage incurred.

13.3 If the Contractor does not provide any of the policies and certificates required, the Executing Agency may affect the insurance which the Contractor should have provided and recover the premiums the Executing Agency has paid from payments otherwise due to the Contractor or, if no payment is due, the payment of the premiums shall be debt due.

13.4 Alterations to the terms of insurance shall not be made without the approval of the Engineer-in-Charge.

13.4 Both parties shall comply with any conditions of the insurance policies.

14. Site Investigation Reports

14.1 The Contractor, in preparing the Bid, may rely on any Site Investigation Reports referred to in the Contract Data, if any, supplemented by any other information available to him, before submitting the bid. However, at the time of execution, the contractor shall carry out necessary site sub-soil investigation for design of the foundations in consultation with the Engineer-in-Charge.

15. Queries about the Contract Data

15.1 The Executive Director(P),RO-Ladakh NHIDCL will clarify queries on the Contract Data.

16. Contractor to Construct the Works & maintenance during defect liability.

16.1 The Contractor shall construct, install and maintain the Works during defect liability period in accordance with the documents forming part of the contract. No payment for maintenance during defect liability period is payable.

17. The Works to Be Completed by the Intended Completion Date

17.1 The Contractor may commence execution of the Works on the Start Date and shall carry out the Works in accordance with the Programme submitted by the Contractor, as updated with the approval of the Engineer-in-Charge, and complete them by the Intended Completion Date.

18. Approvals

18.1 The Contractor shall submit Specifications, Design and Drawings including quantities of each item showing the proposed Works to the Engineer-in-Charge within 15 days of signing of Contract Agreement, who shall approve them after proof checking within 7 days, if they comply with specifications and tender drawings.

18.2 The Contractor shall be responsible for detailed design and drawing of all the Works.

18.3 The Engineer-in-Charge's approval shall not alter the Contractor's responsibility for design of all Works.

18.4 Deleted

18.5 All Drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the Engineer-in-Charge before their use.

18.6 The Contractor shall construct the structures as per contract specifications and as per the design approved by the Engineer-in-Charge. In case of any deficiencies, the same will be intimated to the contractor for rectification.

18.7 The Contractor shall submit shop drawings of all items procured from approved vendors/manufacturer's and obtain approval of Engineer-in-Charge before procurement to site.

19. Safety

19.1 The Contractor shall be responsible for the safety of all activities on the Site.

20. Discoveries

20.1 Anything of historical or other interest or of significant value unexpectedly discovered on the Site shall be the property of the Executing Agency. The Contractor shall notify the Engineer-in-Charge of such discoveries and carry out the Engineer-in-Charge's instructions for dealing with them.

21. Possession of the Site

21.1 The Executing Agency shall give complete possession of the Site to the Contractor on the date of signing of agreement.

22. Access to the Site

Construction of boundary wall for proposed sites at various schools (04 Nos) in Chiktan sector of School Education Department, Kargil in the UT of Ladakh (3rd Call)

22.1 The Contractor shall allow access to the Site and to any place where work in connection with the Contract is being carried out, or is intended to be carried out and to any place where material or plant are being manufactured /fabricated/ assembled for the works to the Engineer-in-Charge and any person/persons/agency authorized by:

- a. The Executing Agency
- b. The Engineer-in-Charge

23. Instructions

23.1 The Contractor shall carry out all instructions of the Engineer-in-Charge, which comply with the applicable laws where the Site is located.

23.2 The Contractor shall permit the Executing Agency to inspect the Contractor's accounts and records relating to the performance of the Contractor and to have them audited by Auditors appointed by the Executing Agency if so required by the Executing Agency.

-

24. Maintenance

24.1 The contractor shall maintain the buildings/structure during the defect liability period of **One (1) year** which is reckoned from the actual recorded date of completion of the whole project. No separate payment will be made to the contractor for maintenance during the defect liability period.

25. Dispute and Arbitration

25.1 Dispute Resolution

(i) Any dispute, difference or controversy of whatever nature howsoever arising under or out of or in relation to this Agreement (including its interpretation) between the Parties, and so notified in writing by either Party to the other Party (the "Dispute") shall, in the first instance, be attempted to be resolved amicably in accordance with the conciliation procedure set forth in Clause 25.2.

(ii) The Parties agree to use their best efforts for resolving all Disputes arising under or in respect of this Agreement promptly, equitably and in good faith, and further agree to provide each other with reasonable access during normal business hours to all non- privileged records, information and data pertaining to any Dispute.

25.2 Conciliation

In the event of any Dispute between the Parties, either Party may call upon the Authority's Engineer-in-Charge, or such other person as the Parties may mutually agree upon (the "Conciliator") to mediate and assist the Parties in arriving at an amicable settlement thereof. Failing mediation by the Conciliator or without the intervention of the Conciliator, either Party may require such Dispute to be referred to the Chairman of the Authority and the Chairman of the Board of Directors of the Contractor for amicable settlement, and upon such reference, the said persons shall meet no later than 7 (seven) business days from the date of reference to discuss and attempt to amicably resolve the Dispute. If such meeting does not take place within the 30 (thirty) business day period or the Dispute is not amicably settled within 30 (thirty) days of the meeting or the Dispute is not resolved as evidenced by the signing of written terms of settlement within 30 (thirty) days of the notice in writing referred to in Clause 25.1. or such longer period as may be mutually agreed by the Parties, either Party may refer the Dispute to arbitration in accordance with the provisions of Clause 25.3 but before resorting to such arbitration, the parties agree to explore conciliation by the Conciliation Committees of

Independent Experts set up by the Authority in accordance with the procedure decided by the panel of such experts and notified by the Authority on its website including its subsequent amendments. In the event of the conciliation proceedings being successful, the parties to the dispute would sign the written settlement agreement and the conciliators would authenticate the same. Such settlement agreement would then be binding on the parties in terms of Section 73 of the Arbitration Act. In case of failure of the conciliation process even at the level of the Conciliation Committee, either party may refer the Dispute to arbitration in accordance with the provisions of Clause 25.3.

25.3 Arbitration

- (i) Any dispute which remains unresolved between the parties through the mechanisms available/ prescribed in the Agreement, irrespective of any claim value, which has not been agreed upon/ reached settlement by the parties, will be referred to the Arbitral Tribunal as per the Arbitration and Conciliation Act.
- (ii) Deleted
- (iii) The Arbitral Tribunal shall make a reasoned award (the "Award"). Any Award made in any arbitration held pursuant to this Clause 25 shall be final and binding on the Parties as from the date it is made, and the Contractor and the Authority agree and undertake to carry out such Award without delay.
- (iv) The Contractor and the Authority agree that an Award may be enforced against the Contractor and/or the Authority, as the case may be, and their respective assets wherever situated.
- (v) This Agreement and the rights and obligations of the Parties shall remain in full force and effect, pending the Award in any arbitration proceedings hereunder. Further, the parties unconditionally acknowledge and agree that notwithstanding any dispute between them, each Party shall proceed with the performance of its respective obligations, pending resolution of Dispute in accordance with this Article.
- (vi) In the event the Party against whom the Award has been granted challenges the Award for any reason in a court of law, it shall make an interim payment to the other Party for an amount equal to 75% (seventy-five per cent) of the Award, pending final settlement of the Dispute. The aforesaid amount shall be paid forthwith upon furnishing an irrevocable Bank Guarantee for a sum equal to 120 % (one hundred and twenty per cent) of the aforesaid amount. Upon final settlement of the Dispute, the aforesaid interim payment shall be adjusted and any balance amount due to be paid or returned, as the case may be, shall be paid or returned with interest calculated at the rate of 10% (ten per cent) per annum from the date of interim payment to the date of final settlement of such balance.

25.4 Adjudication by Regulatory Authority, Tribunal or Commission

In the event of constitution of a statutory regulatory authority, tribunal or commission, as the case may be, with powers to adjudicate upon disputes between the Contractor and the Authority, all Disputes arising after such constitution shall, instead of reference to arbitration under Clause 25.3, be adjudicated upon by such regulatory authority, tribunal or commission in accordance with the Applicable Law and all references to Dispute Resolution Procedure shall be construed accordingly. For the avoidance of doubt, the Parties hereto agree that the adjudication hereunder shall not be final and binding until an appeal against such adjudication has been decided by an appellate tribunal or court of competent jurisdiction, as the case may be, or no such appeal has been preferred within the time specified in the Applicable Law.

B. Time Control

27. Programme

- 27.1 The Engineer-in-Charge shall issue a Notice to Proceed for all the site locations to the contractor immediately after signing of agreement. The Contractor shall submit to the Engineer-in-Charge for approval a programme within **7 days from the signing of the Contract Agreement for each site separately**, showing the general methods, arrangements, order, and timing for all the activities in the Works, along with monthly cash flow forecasts.
- 27.2 An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining Works, including any changes to the sequence of the activities.
- 27.3 The Contractor shall submit to the Engineer-in-Charge for approval an updated Programme at intervals. If the Contractor does not submit an updated Programme within this period, the Engineer-in-Charge may withhold the amount stated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.
- 27.4 The Engineer-in-Charge's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer-in-Charge again at any time. A revised Programme shall show the effect of Variations and Compensation Events.

28. Extension of the Intended Completion Date

- 28.1 The Engineer-in-Charge shall extend the Intended Completion Date only after the approval of NHIDCL if a Compensation Event occurs or a Variation is issued which makes it impossible for Completion to be achieved by the Intended Completion Date without the Contractor taking steps to accelerate the remaining Works, which would cause the Contractor to incur additional cost.
- 28.2 The Engineer-in-Charge shall decide whether and by how much time to extend the Intended Completion Date within 21 days of the Contractor asking the Engineer-in-Charge for a decision upon the effect of a Compensation Event or Variation and submitting full supporting information. If the Contractor has failed to cooperate in dealing with a delay, the delay by this failure shall not be considered in assessing the new intended Completion Date.

29. Delays Ordered by the Engineer-in-Charge

- 29.1 The Engineer-in-Charge may instruct the Contractor to delay the start or progress of any activity within the Works.

30. Management Meetings

- 30.1 **Either the Engineer-in-Charge or the Contractor may require the other** to attend a management meeting. The business of a management meeting shall be to review the plans for the remaining Works and to deal with matters raised in accordance with the early warning procedure.
- 30.2 The Engineer-in-Charge shall record the business of management meetings and provide copies of the record to those attending the meeting. The responsibility of the parties for actions to be taken shall be decided by the Engineer-in-Charge either at the management

meeting or after the management meeting and stated in writing to all those who attended the meeting.

C. Quality Control

31. Identifying Defects

31.1 The Engineer-in-Charge shall check the Contractor's work and notify the Contractor of any Defects that are noticed. Such checking shall not absolve the contractor from its obligations and its responsibilities. The Engineer-in-Charge may instruct the Contractor to search for a Defect and to uncover and test any work (existing work/work executed by the contractor) that the Engineer-in-Charge considers may have a Defect.

32. Tests

32.1 The contractor shall be solely responsible for:

- a. Carrying out the mandatory tests prescribed in the CPWD Specifications 2019 (volume-I and volume II) and technical specifications forming part of contract.
- b. For the correctness of the test results, whether preformed in his laboratory or elsewhere.
- c. All charges related to cost of samples, transportation to third party lab and testing charges are deemed to be included in the Contract Price of Contractor and hence will not be reimbursed by Executing Agency.
- d. The Authority may engage third party for testing of executed items. The payment for the same would be made by the Authority.

32.2 If the Engineer-in-Charge instructs the Contractor to carry out a test not specified in the Specification to check whether any work (executed by the contractor) has a Defect and the test shows that it does, the Contractor shall pay for the test and any samples. If there is no defect, the cost of such tests shall be borne by the Authority otherwise by the Contractor.

33. Correction of Defects noticed during the Defect Liability Period.

33.1 The Engineer-in-Charge shall give notice to the Contractor of any Defects before the end of the Defects Liability Period, which begins from the next day of Actual Recorded Date of Completion of Project and as defined in the Contract Data. The Defects Liability Period shall be extended for as long as Defects remain to be corrected.

33.2 Every time notice of a Defect is given; the Contractor shall correct the notified Defect within the reasonable time specified by the Engineer-in-Charge's notice as per good industry practice. If any defect including shrinkage cracks, other faults appear in the work within defect liability period, the Engineer-in-Charge shall give Notice to the Contractor of such defects before end of defect liability period and shall extend the defect liability period as long as defects remain to be corrected.

34. Uncorrected Defects/ Incomplete Works

34.1 If the Contractor has not corrected the Defect, to the satisfaction of the Engineer-in-Charge, within the time specified in the Engineer-in-Charge's notice/indent, the Engineer-in-Charge will assess the cost of having the Defect corrected and get the defects rectified through some other agency at the risk and cost of the Contractor and the Contractor will pay 1.2 times of this amount.

- 34.2 If the Contractor has not completed the work to the satisfaction of the Engineer-in-Charge, within the time specified in the Engineer-in-Charge's notice/indent, in no case exceeding one month, the Engineer-in-Charge will assess the cost of having the work completed and get the work completed through some other agency and the Contractor will pay this amount in addition to the damages specified as per clause 45.

D. Cost Control

35. Bill of Quantities

- 35.1 The Priced Schedule (Bill of Quantities) to be submitted by the Contractor along with financial bid shall be for Percentage above or below the estimate cost put to tender for the work and one year Defect Liability Period to be done by the Contractor.
- 35.2 **Percentage above or below quoted on the estimate cost by the contractor will be the Contract Price.** The Contractor is paid as per clause 40.2 for the actual work done and measured. The Contractor shall submit the computerized measurements (three copies) of all items of work executed till the date of submission of running bills for verification by Engineer-in-Charge and record.

36. Variations (Deviation in quantities / Extra items/ Substituted items)

- 36.1 All variations shall be included in updated programmes produced by the Contractor. The Engineer-in-charge shall, having regard to the scope of the Works and the sanctioned estimated cost, have power to order + 50% of original BOQ value of single BOQ item subject to maximum of 50% of original Contract value for any or all items executed as variation in quantities/Extra items/ Substituted items either individually or together. **However this 50 % limit is further subjected to the available funds sanctioned for the project.**

37. Payments for Variations

- 37.1 If rates for Variation items are specified in the Bill of Quantities, the Contractor shall carry out such work at the same rate. A statement of all such anticipated items which are likely to be deviated shall be submitted to the Engineer-in-charge well in advance for obtaining prior approval.
- 37.2 If the rates for Variation are not specified in the Bill of Quantities, the Engineer-in-charge shall derive the rate from similar items in the Bill of Quantities and if it cannot be derived from similar item in Bill of Quantities then the rate will be derived as per Clause 37.3.
- 37.3 The Contractor shall, within 14 days of the issue of order of Variation work, inform the Engineer-in-charge the rate which he proposes to claim, supported by analysis of the rates. The Engineer-in-charge shall assess the quotation and determine the rate based on prevailing market rates within 15 days of the submission of the claim by the Contractor. As far as possible, the rate analysis shall be based on the DAR of CPWD.
- 37.4 If the quantities of individual BoQ items have a variation beyond +50% permissible limit of original BoQ value of such item, then approval for such variation shall be taken prior to the execution of item from the Engineer-in-charge in writing. However, the Total variation for such quantities shall be subjected to a maximum value of 50% of original contract price. The rate for such item will be determined as per provisions under clause 37.2 & 37.3 as stated above.

- 37.5** If during the progress of work, any extra / unforeseen item is to be executed as per exigencies of the work, then approval for such Extra / unforeseen item shall be taken prior to the execution of item from the Engineer-in-charge in writing. A statement of all such anticipated items shall be submitted to the Engineer-in-charge well in advance for obtaining prior approval. However, the Total variation for such items shall be subjected to a maximum value of 50% of original contract price. The rate for such item shall be paid as per prevailing market rates. For this purpose, the Contractor shall, within 14 days of the issue of order of execution of Extra item, inform the Engineer-in-charge the rate which he proposes to claim, supported by analysis of the rates. The Engineer-in-charge shall assess the quotation and determine the rate based on prevailing market rates within 15 days of the submission of the claim by the Contractor. As far as possible, the rate analysis shall be based on the DAR of CPWD.
- 37.6** If during the progress of work, any item is proposed for substitution due to structural / Architectural requirements as per the exigencies of the work, then approval for such substituted item shall be taken prior to the execution of item from the Engineer-in-charge in writing. A statement of all such anticipated items shall be submitted to the Engineer-in-charge well in advance for obtaining prior approval. However, the Total variation for such items shall be subjected to a maximum value of 50% of original contract price. The rate for such item will be determined as per provisions under clause 37.2 & 37.3 as stated above.
- 37.7** In case of any ambiguity or absence of clarity or non-provision of unexpected clauses, then the provision available in the CPWD General Conditions of Contract for Construction works -2020 will be adopted for this work. However, the provisions stated in clauses & sub clauses of 36 & 37 will precede to CPWD clauses in case of ambiguity, while implementing the same.

38. Cash Flow Forecasts

- 38.1** When the Programme is updated, the Contractor shall provide the Engineer-in-Charge with an updated cash flow forecast.

39. Payment Certificates

- 39.1** The Contractor shall submit to the Engineer-in-Charge in accordance of clause 40.2 the value of the work executed with supporting documents.
- 39.2** The Engineer-in-Charge shall check the Contractor's statement within 7 days and certify the amount to be paid to the Contractor after taking into account any credit or debit for the month in question.
- 39.3** The value of work executed shall be determined, based on measurements submitted along with the running bills duly certified by the Engineer-in-Charge.
- 39.4** The value of work executed shall comprise the value of the quantities of the items executed in accordance with the Schedule of Quantities.
- 39.5** The value of work executed shall also include the valuation of Variations and Compensation Events.
- 39.6** The Engineer-in-Charge may exclude any item certified in a previous certificate or reduce the proportion of any item previously certified in any certificate in the light of later information to rectify the mistakes with detail justification acceptable to Executing Agency.

39.7 The final bill of the work shall be submitted by the contractor within one month of the recorded date of completion of the work; otherwise, the Engineer-in-Charge certificate of the measurement and of the total amount payable for work accordingly shall be final and payment made accordingly within a period of sixty days.

40. Payments

40.1 Payments shall be adjusted for deductions for mobilization payments, 5% security deposit (retention money), other recoveries in terms of the Contract and taxes at source, as applicable under the law. The Executing Agency shall pay the Contractor the amounts Engineer-in-Charge had certified within 14 days of the date of each certificate.

40.2 The contractor shall submit to the Engineer-in-Charge bill in three copies and the Executing Agency shall make the payment certified by the Engineer-in-Charge.

40.3 The Contractor shall submit to the Engineer-in-Charge a bill prepared in accordance with the actual work executed. The minimum value of work of all the executed items for each RA bill should be 5% of the Contract Price for the purpose of claiming of running bill.

40.4 No escalation is payable on the Contract Price due to increase of prices of construction materials and minimum wages of labour. The Contract Price shall remain firm. Additional payment over and above the Contract Price shall be allowed only in case of notified variations by Engineer-in-Charge at approved rates.

40.5 GST charges at applicable rates on the actual value of the work done in every running bill shall be reimbursed subject to furnishing documentary evidence of having paid to Government the GST charges reimbursement paid in the previous bill. The documentary evidence shall be specific to the work.

41. Compensation Events

41.1 The following shall be Compensation Events unless they are caused by the Contractor:

- a) The Engineer-in-Charge orders a delay or does not issue/approve drawings, specifications or instructions require for execution of works in reasonable time.
