All the four firms have submitted their annual turnover online at INFRACON for the year 2012-13, 2013-14 & 2014-15. The turnover submitted by the firm is as below.

4. As per Clause 11 (A) i.e. Eligibility Criteria of firm, the Annual turnover (updated average of last 3 years) should be 2% of total project cost i.e. Rs. 21.33 crore. Committee observed that the bid for subject work was invited in July 2016 and the audited turnover for the financial year 2015-16 is available only after September 2016, hence the firms have submitted the audited turnover figures of 2014-15, 2013-14 and 2012-13 on Infracon. The Committee, therefore, updated the three years turnover figure submitted by the consultant as per Clause 12 to bring it to the Financial Year 2015-16 for calculation of Average Annual Turnover. Average Annual Turnover after applying the enhancement factor to the turnover of the firms is as below.
