

NORTH NAGALAND

The map illustrates the proposed New NH 702 project in North Nagaland. Key features include:

- Geographical Features:** Rivers (Jhanzi, Tsumok, Melak, Kuyung, Dikhu, Yangnyu), Nalas (Tsumangyayung, Tsumok), and Towns (Mokokchung, Wokha, Zunheboto, Mon, Longching, etc.).
- Roads:** Existing roads (NH-61, NH-702) and the proposed New NH 702 project route.
- Project Details:** Start of Project Road, End of Project Road, and various project points (e.g., Mokokchung, Wokha, Zunheboto, Mon, Longching).
- Compass Rose:** Located in the top right corner, indicating North (N), South (S), East (E), and West (W).

SOUTH NAGALAND

The map illustrates the proposed project road route through South Nagaland. The route is marked in red, starting from the 'START OF PROJECT ROAD' near Kohima and ending at the 'END OF PROJECT ROAD' near Zunheboto. Key locations along the route include Chozuba Town, Chozuba Village, and Phek Town. The map also shows existing roads like NH-61 and NH-29, and various smaller rivers and streams.
