## Driver's Login

The image shows a mobile application interface for a driver's login. At the top, there is a black header bar with a red bus icon on the left and the text "SMART TRAVEL" in white. Below the header, the background is a light teal color. There are two input fields: "UserName" and "Password", both with light blue borders and placeholder text. Below the "Password" field is a grey "Login" button with white text. In the top right corner of the app window, there are small icons for a blue triangle and a battery level indicator.

# SYSTEM VIEW

A mobile application interface for 'SMART TRAVEL'. The header features a red bus icon and the title 'SMART TRAVEL'. Below the header, there are labels for 'User Email:' and 'Trip Details:'. A 'Start Trip' button is positioned below these labels. To the left of the 'Enter Alert Message' input field, the text 'Loc SA' is displayed. The input field is followed by a 'Send Alert' button. Below this is an 'Add bus stop' button, and at the bottom is a 'Stop Trip' button. The interface is set against a dark background with light gray buttons and text.
