Circular No:- NHIDCL/Circular/IT/2017

Date: 22 December, 2017

**CIRCULAR**

**Subject: Uploading of data on ePACE/PMIS portal for project monitoring**

ePACE and PMIS portals have been developed by NHIDCL & MoRTH for effective monitoring of projects at all levels with progress in works. The latest details are required to be reflected on these portals by making data entries at branch office level. At present it is observed that the updation ePACE and PMIS is not done regularly nor it is verified by GM (P). It has been decided that.

2. Entries shall be verified by GM (P) for particular project at their end.
3. The project data must be uploaded at least twice in a month or more. (As the work progress quickly)
4. The above mentioned guidelines should be adhered to by all Branch Offices of NHIDCL.
5. These issues with approval of Competent Authority and be treated as most important.

A handwritten signature in blue ink, appearing to read 'Shayin', is placed above the printed name and title of the signatory.

(Mohammed Shayin)  
GM (LA & Coord.)

**Distribution:**

1. All Executive Directors
2. All GMs T/P
3. All Branch Offices
4. IT cell

**Copy to:**

1. MD, NHIDCL
2. Director (A&F), NHIDCL
