

NHIDCL/5th Inception day/2019

Dated: 13.06.2019

To

All Stakeholders,

Sub: Technical Conference followed by Inception Day Evening on 18th July, 2019 in Hotel Ashoka, Chanakyapuri, New Delhi to mark the 5th Inception day of NHIDCL - **invitation for registration as speaker in Technical Conference - reg.**

It is please to inform you that NHIDCL is celebrating its 5th Inception Day on 18th July, 2019. To mark the Inception Day, a Technical Conference followed by Inception Day Evening is scheduled to be held in Hotel Ashoka, Chanakyapuri, New Delhi on 18.07.2019.

2. The proposed conference is broadly covering following aspects of highway construction.

- (i) Challenges in design & construction of bridges.
- (ii) Geotechnical Investigation of tunnel in planning and construction.
- (iii) Hill slope stabilisation.
- (iv) High speed pavement construction.

3. It is planned to invite 10 speakers from the various fields including Consultants, Contractors, designers, IITs, NITs, CRRI, CBRI etc. The selection of speakers will be decided by a Committee formed by NHIDCL for the purpose.

4. Accordingly, concept papers are invited from above institutions. All perspective speakers are requested to submit their concept paper on any of the above subject alongwith a synopsis for consideration and selection for the slot. The timeline for such submission is upto 25th June, 2019. It is requested to send your interest to participate and also give a wide publicity to perspective participants/speakers.

5. In case, any further clarification is required, please feel free to contact Sh. Y.C. Srivastava, GM (Tech) on email yogena05bro@gmail.com or on Mob. No. 9599022989.
