

Invitation of suggestions/feedback for improvement of INFRACON Portal.

INFRACON (infracon.nic.in) is the National Portal for Infrastructure Consultancy Firms and Key Personnel. It brings a linkage between consultancy Firms working in the road engineering and construction sector and Key Personnel deployed for project preparation and supervision.

On directions of MoRTH, up gradation of Portal as well as verification of Key Personnel has been in process since 2021.

With above as background, suggestions to improve INFRACON Portal as whole are being invited. In case your Firm/Organisation has anything to suggest, the same may please be submitted through email - **support-infracon@gov.in**

Looking forward to your response/suggestions/feedback.
